

**Safety is our top priority, and we thank you for your partnership in keeping our community healthy.**

We continue to monitor local COVID-19 trends, and aim to align with protocols of federal, state and county health authorities. We will regularly revisit and update these protocols as conditions change.

**For gatherings attended by children under age 5:**

- We strongly recommend outdoor events/activities only.

**For all other age groups:**

- Gatherings may be held outdoors or indoors.
- We strongly recommend that participants be vaccinated and boosted, if eligible.
- Masking is strongly recommended for all, including staff, regardless of vaccination status.
- No restrictions on food service; plated portions, served or self-serve buffets are permitted.

**In the event of exposure/illness:**

A participant or staff member who has been exposed to COVID-19, or has received a positive test result, should follow [CDC guidelines](#) and [California Department of Public Health guidelines](#) regarding quarantine (for exposure) or isolation (for positive test), contact notification, and masking.

**If you have questions**, please reach out to Kathleen Mellon, Chief Administrative Officer at [Kathleen@JFFS.org](mailto:Kathleen@JFFS.org).
